Putting together your clown portrait

Materials Needed

- Card stock paper (White)
- Scissors
- Craft knife
- Glue

Instructions

1. Print out the templates
2. Cut out the templates. For the portrait templates, cut along the dotted lines.
3. Cut the image of the clown you want to use. Remember to colour in the plain image
4. Using a craft knife, cut holes in the bigger of the two circles in the portrait template.
5. Cut holes in the clown image template
6. Add glue on the sides that states "apply glue here"
7. Glue together to the opposite sides and assemble box. Make sure the eyes appear on the inside of the box
8. Apply glue on the image and glue to the top of the assembled portrait. Make sure it is well aligned.

Have fun with your clown portrait.
